

Loading Guide at DSV Solutions

This site is currently a building site. Kindly follow the instructions below, in order to save time and frustration (*Unannounced drivers will not be attended and will be turned away from the site):

1. Direct access to the site in Eddastraat is forbidden. This is because there are no reception facilities available for truck/lorry drivers onsite.
2. Drive to DSV Road, Sagastraat, 9042 Ghent and report to the driver reception desk. You can park your truck/lorry in the bays reserved for DSV Solutions.
3. At the driver reception desk, you will be given necessary instructions and you will be allocated a designated loading bay after which you can make your way to Eddastraat 21 to load/unload your lorry.

For better understanding of the site, kindly refer to Google Map below for street view:

Kindly refer to building with blue windows (middle left of the picture) for reception
